## ASSIGNMENT

I, Alexandre K. Shah, a citizen of the France, (hereinafter called "ASSIGNOR"), for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, have assigned and do hereby assign to Blue Titan Software, Inc., a Delaware corporation, having a principal place of business at 85 Bluxome Street, Suite 301 San Francisco, CA 94107 (hereinafter called "ASSIGNEE"); its successors, assigns and legal representatives, the entire right, title and interest in and to all subject matter invented by me and disclosed in United States patent application Serial No. 09/757,367 filed January 9, 2001, and entitled "**Smart Caching System and Method**", including the right to claim priority rights deriving from said United States application by virtue of US law and any International Convention, plus the entire right, title and interest in and to any and all letters patent which claim priority therefrom and may be granted in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations of any such patents, said applications and letters patents issuing from said application to be held and enjoyed by ASSIGNEE for its use and benefit and of its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and comparable officials in foreign countries to issue or grant all letters patent from these applications to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent, for litigation regarding said letters patent, or for the purpose of protecting title to any such applications or letters patent therefor.
